Proposed work less than 25% of existing floor area

Property Owner

Property address of which alterations and additions are being proposed

To: Relevant Building Surveyor
Michael Shaw – Registration BSU 1165
428a New Street, Brighton, 3186

The proposed alteration is an extension to an existing building where the increase in floor area is less than 25% and not exceeding 50% of the original building volume.

In relation to the new works, I seek consent from the relevant building surveyor for an exemption to the Building Code of Australia Volume 2. Part 2.6 - Energy efficiency requirements.

I also seek consent for the following additional exemptions (*list and detail any other applicable exemptions being sought e.g. bushfire requirements, for the review of the RBS*)

I am aware that additional fees are likely to be applicable for review of any additional exemptions (outside energy requirements) and supporting expert reports may be required.
